Half of Shas

The Rosh Yeshiva Says:

Learn the blatt Gemorah every day. In just a little while we will be finishing half of Shas. It's interesting that not long ago we were sitting by the Siyum Hashas and we all accepted upon ourselves that we will go to learn the holy Gemorah every day, and we are almost nearing half of Shas. Learn the holy Gemorah every day. If you don't understand it, then say the words. The Rebbe said in (Sichas Haran 76), We don't need to understand, the main thing is to say the words of the Torah.

Hashem Himself Will Guard

The Rosh Yeshiva Says:

The Parsha opens with "Vehaya Eikev Tishmaun, Veshamar Hashem Elokecha Lecha

Es Habris", The Rebbe said in (Lekutei Mohahran 1:169), When a person is happy, Hashem guards him from bad Aveiros. Because the Aveirah of Pgam Habris only comes from bitterness and depression. The Klippa that causes this Aveirah is called by the term 'Crying'. The holy Chachamim said in (Vayikrah Rabah 11:7), 'Vehaya' means 'Simcha', therefore 'Vehaya' if a person is happy, then Veshamar Hashem Elokecha Lecha Es Habris, Hashem himself will guard him from Aveiros.

Whatever Was, Was

The Rosh Yeshiva Says:

The Rebbe said in (Chayei Mohahan 437), when a person speaks to Hashem, he should say, Hashem I am starting from right now, whatever was, was, and from now on I will be an Ehrlicher Yid, I will daven Shachris, Mincha, Marriv. Hashem should help us that we should adhere to

the Rebbe, and if I fell, I will ask Hashem to please get me out of this, and I will be good. This will be a befitting way to prepare for the Yamim Norayim.

Do Your Job

The Rosh Yeshiva Says:

Don't tell your bosses how to run their business. Because if you start giving them good ideas on how they should run their business, they will tell you, "Excuse me, go open your own business", and you will end up losing your job. You need to do what your job is, and do your work well, then at the end of the day when you finished the business hours that you needed to work, you should go home to your family, help out at home and go to daven and learn.

His Life Is A Life

The Rosh Yeshiva Says:

The Rebbe said in Sichas Haran, "Whoever has

Emunah, his life is a life." This means that a person must have faith in order to live. We are very fortunate that we have faith in Hashem, and we believe that he runs the world. He is watching over us every second, he knows exactly what we are going through, and he listens and helps us with everything we need.

Matching Cloths

The Rosh Yeshiva Says:

Lately there has been a nice new word amongst parents, that we need to give our children 'Love'. 'Love' doesn't mean taking pictures of the kids every minute, and that all the children need to be dressed with matching clothes. The house doesn't have to match the carriage, and the carriage doesn't have to match the pocket book or who knows what... this is all nonsense. A good mother is when we speak nicely to our children. We give them nice words. We are thankful for our children when it comes to them. We educate our children, we don't break them, and we don't disregard their teachers and educators.
