Thursday Parshas Toldos

The Rosh Yeshiva Says:

Mohorosh told us that if we occupy ourselves with distributing the holy Rebbes Seforim, Kuntreisim, and Gilyonos, we will always have money in our pocket. It will not occur that our wife will say "Go buy bread" and we won't have any money to buy bread. To go Hafutza is not an embarrassment, To use credit cards and not to pay them is embarrassing, and losing everyone's trust is embarrassing. But to go strengthen other Jews with Emunah and Bitachon is the most beautiful thing.

Friday Parshas Toldos

The Rosh Yeshiva Says:

The holy Avos went through difficult times, however they held themselves strong and did not let go of Hashem. In this weeks Parsha Yitzchok was blind and told Eisav he wanted to bless him. Rivka

didn't like Eisav. Why is this? Because Yitzchok grew up in a holy home with Avraham. Rivka grew up with Besuel and Lavan who were bad. Therefore Rivka saw Yaakovs greatness and told him to get the bracha, but Yaakov said that Yitzchok would realize who he is, so he put on hairy garments.

Yitzchok was confused by HaKol Kol Yaakov but Yadam Ydei Eisav. Rashi says that was because he was speaking of Hashem. Mohrosh said this is great Chizuk for us. Even though our hands are impure like Eisav, but I can still merit to all the blessings if I speak about Hashem. This is something I can do.

Sunday Parshas Vayeitzei

The Rosh Yeshiva Says:

Have a Tzedaka box in your home, office, and in your car. Whenever you need something put a coin into the Tzedaka box and ask Hashem to help you. The Rebbe said in (Sefer Hamidos Ois

Hamtakas Hadin 80) "Hatzedaka Mamtik Hadin" when we give Tzedaka we take away all decrees from ourselves. Just by putting a small coin into a Tzedaka box makes a great impact in Shamayim.

Monday Parshas Vayitzei

The Rosh Yeshiva Says:

I try to make Shidduchim every day, but I can't take credit for it because Hashem is the one who makes the Shidduch. The holy Bal Shev Tov said, Hashem makes a war between two countries because a Shidduch needs to happen. Let's say two families live in different countries, here we have a boy and a girl that are one soul and they need to come together, but they won't be interested in hearing about a Shidduch from another country. Therefore a war will need to break out in order for this family to move to the other country, and a Shidduch will be made.

Tuesday Parshas Vayitzei

The Rosh Yeshiva Says:

I'm begging you, you don't have to copy what everyone else does. Instead, go

and exercise your Neshama, build up your soul. Come to Shul and learn, copy the men who come to Shul, and are always learning Torah. A Goy has no Torah, has no mikvah, no prayer, and no future - so he goes to build his body in the morning. For him, his body is his whole life, that's why he goes jogging every morning. You are a Yid, you have a soul, come to Shul, and set time to study Torah.

Wednesday Parshas Vayitzei

The Rosh Yeshiva Says:

The holy Yismach Moshe was once learning the holy Gemorah and he started to fall asleep. He had a dream that he was sitting with the Tana from the Gemorah he was in the middle of learning. He asked the Tana where is Gan Eden? The Tana answered him, Gan Eden is right here in the Gemorah. When a person learns Gemorah, he is in Gan Eden. When a person closes his Gemorah, he closes Gan Eden. When we learn Torah we are with Hashem.
