Hashem In The Headlines

The Rosh Yeshiva Says:

Don't read any newspapers or magazines. Mohorosh said, a sign if a newspaper is worthy of reading, is if the headlines would state in bold letters 'Hashem Runs Everything, He Makes Everything, and Does Everything'. No one can make anything happen, not the President, not the Ruler, only Hashem. Without such a header, the whole newspaper is just one big bluff, one big lie. The same applies to hotlines with news, only if they speak about Hashem again and again, then we can listen.

Squeezed Olives

The Rosh Yeshiva Says:

This week's Parsha opens up with taking oil which is made by squeezing olives and this oil then brings light. The holy Chachamim said that Klal Yisrael is compared to olives. When do olives start to

bring light? Only once they are pressed, then it can be used to shed light. When does a person shine?, When does he shed light?, When is his beauty revealed? Only after he is pressed. You can't do anything with a bucket of olives. You need to press it, squeeze it and then oil comes out that gets used to illuminate the Menorah and the Shabbos lights. This creates a brightness in the darkness.

Nullify Yourself

The Rosh Yeshiva Says:

The Rebbe said in (Sefer Hamidos, Ois Hamtakos Hadin 22), "By going to the Mikvah all problems are nullified and we merit salvation". The Rebbe also said there in (Siman 81), "Mikvah sweetens judgement". When you go to the Mikvah, bend down and nullify yourself to Hashem. Mohorosh said to nullify yourself to Hashem is the main focus of going to the Mikvah. This alone makes a person become pure.

Get Out Of Here!

The Rosh Yeshiva Says:

One of the most beautiful stories that Mohorosh said, and he said he had an awakening of Teshuva from this story, was that there was once a Breslever Chusid who was the Gabbai in the Kloiz in Uman. It happened that there was a group of Buchrim who weren't thinking and made a mess in the Kloiz, not realizing that someone was taking care of the Kloiz. The Gabbai screamed at them with anger, "Get Out Of Here!, Get Out Of Here!". Later on while doing Hisbodidus by the Rebbes Tzion, the Gabbai was heard saying, "Why am I screaming, Why am I getting upset, What do I want from the boys, Why do I need to scream at them?". The Buchrim heard this and figured that he calmed down now and he won't scream at them anymore. The next day the same story, he screamed at them, What are you doing here!, Get out of here!". Then again he was heard saying by Hisbodidus, "Why am I like this, Why do I get so upset?". Mohorosh said that this story shows us what a Breslever Chusid is, 'This is a Breslever Chusid'. It doesn't matter what I do, yet I use my mouth to tell Hashem, 'I want to be good'.

I Am So Twisted

The Rosh Yeshiva Says:

Elon Musk looks how he can secretly get to everyone. He puts a needle into the

chickens, which you eat so then he can control you. Then he is going to make everyone jump into the ocean! He'll make everyone stand on a porch and tell them to jump off! He is going to destroy the world! Meanwhile you're shaking and you can't sleep at night. You're not eating any chicken, any eggs, no milk etc., all because everything is being controlled. Why are you thinking so negative? It is such a shame when someone beats himself up and forgets about Hashem. We are laughing but there are people who lock all their locks so Musk shouldn't come and take over. Say, "Hashem I am so twisted that I think someone can do something bad to me, Hashem please help me have a strong Emunah".

Hashem Gave You Parents

The Rosh Yeshiva Says:

Don't be ashamed of your father. Hashem gave you your father and your mother. We must speak to our parents with the greatest honor. I can't laugh at my parents, Chas Veshalom to disgrace my parents. Never make fun of your parents or speak to them with disrespect. We can get severely punished for this. We must honor our parents, and speak to them with respect. We can't tell our father what to do, and we can't tell our father 'Don't tell me what to do'. If your father asks you something, you answer with the greatest honor. If your father screams at you, you keep quiet.
