## At The Dentist

### **The Rosh Yeshiva Says:**

I beg you, don't have any questions on Emunah. Believe in Hashem, that everything is for the good. This morning I was with one of my children at the dentist, my child was crying a lot and did not understand why my wife and I were doing this to him. No matter how much we tried to tell him: "We only want to do good, in order that you shouldn't have any cavities", yet he didn't want to accept it. At the time, I was thinking, 'This is how we look when we have complaints about Hashem, Hashem only wants our good, he doesn't do any bad, and we have complaints'. We have to stop complaining, and start believing that everything is only for our good.

## Come Together

### **The Rosh Yeshiva Says:**

Hashem told Moshe 'Bo' come to Pharoh. This is not the proper way to speak to a

person. 'Go' to Pharoh would be the correct way to speak. Hashem was really telling Moshe Rabeinu that I am everywhere, therefore come with me, come together with me to Pharoh, no need to say "Go to Pharoh". A person just needs to do his part as to make it seem that he is doing an action but the truth is that we are just going along with Hashem. When a person lives with Emunah, and he knows that everything is Hashem, everything that happens is from Hashem, such a person lives a good life.

## Advice of Moshiach

### **The Rosh Yeshiva Says:**

How fortunate we are that we know the holy Rebbe who strengthens us and gives us life with the advice of Moshiach. The Rebbe said in (Chayei Moharan 266), There is no difference between what I say, and what Moshiach will say. The only thing is that by me you still have the choice, and by Moshiach there will be no having a choice.

>>>>

Moshiach will teach about the advice of speaking to Hashem just as we speak to a friend, and teach to the whole world not to depend on anyone, only on Hashem. This is what the Rebbe already teaches us now.

### The Poorest Man

#### **The Rosh Yeshiva Says:**

Prepare yourself something for later. The time will come when we will get unclothed and put into the ground. There, we won't be taking anything along. The only thing that will be valued there is Torah, Mitzvos, and Masim Tovim. There, a Perek of Mishnayos, and a Blatt Gemorah etc. is worth something. Learn everyday a little Chumish, Mishnayos, Gemorah, and Halacha, only this will stay with a person. Chazal said in (Shabbos 120a) on the Pasuk in (Yeshaya 3:7), A person who doesn't learn everyday a little Chumish, Mishnayos, and Gemorah is the poorest man.

### Something Major

#### **The Rosh Yeshiva Says:**

When the Mafitzim go to Shuls to

distribute the holy Seforim and Kuntreisim, and with the magnificent newsletters, they get laughed at. Everyone asks 'What's the point in all this stuff?', 'Who needs Chizuk?', 'Who is broken?', 'It's a new world where we speak so much about Chuizuk!' etc. etc.. Everyone laughs until something starts going on or something major happens, then they want Chizuk. If we would of had prepared ourselves beforehand with the Rebbe's teachings, then our life would be so much nicer and sweeter.

### Take Away The Love

#### **The Rosh Yeshiva Says:**

It's not just me who says this, the Rebbe said it, and Mohorosh repeated it thousands of times to us. The Rebbe said in (Sichos Haran 263), "The Yetzer Horah looks for ways how to take away the love between a husband and a wife. He just wants them to be separated, because this way it will be easier for him to throw a person down into Aveiros. The Yetzer Horah imposes himself on young couples in order to separate them, so he can throw them down in dirty Aveiros.
