## Only One Option

### **The Rosh Yeshiva Says:**

Do you know why we fast on Tanis Esther? The Shulchan Aruch says that we fast to remind and show us that when there is a difficulty, there is only one option, to fast and scream to Hashem. This is what Mordechai and Esther did. We also have the custom to give Machatzis Hashekel on Tanis Esther, as the Rebbe said that through giving Shekalim you will be saved from the Yetzer Horah. Hashem should help us get saved from the Yetzer Horah.

## Look For The Wonders

### **The Rosh Yeshiva Says:**

The Parsha opens up with 'Vayikrah El Moshe, Vayidaber Hashem Elav', Rashi says that only Moshe heard the voice of Hashem, and not the rest of Klal Yisrael. The holy Rebbe said in (Lekutei Mohoran 1:1), A Yid

must always look for the wonders in every single thing. This means that if someone puts his head to it, he will realize that everything that happens are signs from Hashem for him to come close to him. This is the reason for Hashem calling out to every Yid, and if we focus on it, then Hashem will continue speaking to us and have us become closer to him.

## Fulfill Our Wishes

### **The Rosh Yeshiva Says:**

On Purim, we will once again be Zoche to hear the Megillah read. The Tzadikim say that during the Krias Hamegillah all the gates of Heaven are open, and we can merit any Yeshuah. Every time the word Hamelech appears in the Megillah without a name, it alludes to Hashem, the Melech Malchei Hamelachim. May we already be Zoche to what we read in the Megillah (Esther 2:3), Hashem should remember us,

fulfill our wishes, and send us Yeshuos, both in Ruchnyus and Gashmyus.

### The Lowest Pit

#### **The Rosh Yeshiva Says:**

Purim is the Rebbe's Yom Tov, the Rebbe's Yom Tov! We dance and scream to Hashem. We are so happy, and we are in such holiness. Purim is such a holy day that we can really and actually get out of the lowest pit of impurity. We just need to scream to Hashem, 'Hashem help me not look at any immorality', 'Hashem help me to be guarded', 'Hashem, I want to have pure thoughts'! We don't need to wait until Purim, we can do it any day of the year, we can do it on Shushan Purim too. If we will listen to the Rebbe we will make it though.

### Accept The Torah

#### **The Rosh Yeshiva Says:**

Chazal said in (Shabbos 88a), During the days of Achashveirosh, the Yiden accepted the Torah with love. This was done with a strong will, once they saw all the great

miracles that Hashem did. My dear brother, I love you very much, I really really want you to accept upon yourself to learn every day Mishnayos and Gemorah. You should also say the Yom Tehillim, and more than anything is to speak to Hashem and beg him, "Hashem, please bring me close to your Torah, and let me love the Torah and your Mitzvos.

### How Are You Doing?

#### **The Rosh Yeshiva Says:**

It's very important for educators to have self confidence, because when we believe in ourselves we can believe in our children. Reb Nosson once met his friend and asked him, "How is Yankel doing?", he said, 'He's worthless'! Then he asked, "How is Moishe doing?", he said, 'He's also worthless'! He put everyone down the same way. Reb Nosson then asked him, "How are you doing?", he also made himself as if he is worthless. Reb Nosson told him, "When you will value yourself, and you know that Hashem loves you, you will see that Yankel is good, Moishe is good, Eliezer is good, and everyone is good. An educator must value himself, he must know that he is the teacher and that he is successful.
