Everyone Gave Up

The Rosh Yeshiva Says:

Chazal say that one of the three things hidden by a person is his thoughts. Sometimes it seems that someone is far off and everyone gave up on him, but you never know how much he really wants to be Ehrlich and good. This is how Hafutza works, we can't think a certain person isn't interested just by the way he looks, yet deep down everyone wants to be good, every Yid is a 'Chelek Elokai Mimal' that yearns to do the will of Hashem, and through your Hafutza you can bring him back.

Attain Holiness

The Rosh Yeshiva Says:

The problem with Nadav and Avihu was that they were brought into holiness without any obstruction or any obstacles. If we don't

go through any hardships while attaining holiness then we can fall very easily, and this how they ended up dying. Therefore, Hashem immediately told Moshe it can't always be so easy to attain holiness. It's hard, yet we must remember that we can find Hashem inside the cloudy fog. Initially it looks hard, but if we strengthen ourselves to continue on, Hashem will help us become Ehrlicher Yiden.

Squeeze Money

The Rosh Yeshiva Says:

The Bal Shem Tov said that if we would squeeze money that Yiden make, Mitzvos would come out if it. Why do we go and work so hard? In order to be able to make Shabbos, and to buy befitting clothing for our children, then we need to go buy Teffilin for the Bar Mitzvah boy, everything we need for a Yiddishe life costs money. If we really

look deep into it, we see that all the money that we make is only to be used for Hashem.

Tehillim Brings Teshuva

The Rosh Yeshiva Says:

During the days of Sefira, the holy Reb Nosson used to say the Yom Tehillim twice everyday. The Rebbe revealed to us the greatness of saying Tehillim as sourced in (Lekutei Mohoran 2:73), "One who wants to do Teshuva, should accustom himself to say Tehillim as it brings about Teshuva". Saying Tehillim is a way of Teshuva, and it opens the doors of Teshuva. This is what can be done now during the days of Sefira.

A Slice Of Pizza

The Rosh Yeshiva Says:

Breslev Chassidus is when a person goes to the sidelines everyday and says, "Hashem, I am doing Teshuva, Hashem I got angry again, Hashem again I looked at something

inappropriate, please Hashem give me a strong Emunah, Hashem, when will Yiddishkeit be enjoyable by me? A slice of pizza is enjoyable for me, and a piece of steak is enjoyable for me, but I don't have any patience to Daven and to say the words, Hashem why can't it be like I'm having another enjoyable slice!

Take Away Impurity

The Rosh Yeshiva Says:

The holy Rebbe said in (Sefer Hamidos Ois Neiuif 41), Those who want to fix their Aveiros, should go and bring people back to Hashem. Go Hafutza everyday, because there is nothing greater to Hashem than Hafutza. The holy Zohar says in (Terumah 128), Someone who goes Hafutza can reach really high levels, and take away impurity from the world and makes Hashems name holy. He merits all good things in this world and the next. Those who go Hafutza will have an abundance of wealth.
