The Total Is

The Rosh Yeshiva Says:

I know of a Breslever Chusid who every time he calculates how much money he made and how much spends, when gets to the total at the bottom line, instead of writing how much he is in the minus, he writes: "The Total is, Hashem won't let you go". This really got to me, because instead of always looking at the minus, you will see that Hashem will not let go of you. Keep on refreshing your Emunah, Hashem is here, he makes everything and does everything. This will bring you Parnosah. Just as the Rebbe said in (Sefer Hamidos Ois Mamon 28), "Through Emunah, you will have Parnosah".

The Greatness Of Teffilah

The Rosh Yeshiva Says:

With Teffilah we can get anything. The

Rebbe said in, (Sefer Hamidos, Ois Teffilah 2:10), "Through Teffilah we can even change our Shidduch that was called out in Shamayim". Just like we see that Leah was supposed to get married to Eisav Harasha, but she didn't want to be married to such a Rasha, so she cried, as it says in (Bereishis 29:17), Leah had tears in her eyes from crying so much that she didn't want to be with Eisav. She begged Hashem that she wanted to get married to the Tzadik Yaakov Avinu. Hashem answered her Teffilos and she got married to Yaakov Avinu and had the holy Shevatim. We see from here the greatness of Teffilah.

How To Daven

The Rosh Yeshiva Says:

When we daven to Hashem, we need to know how to daven to Hashem. We can't do it by force. The holy Rebbe said in (Lekutei Moharan 1:196), "A person can't bug Hashem that Hashem must give him what he

wants, the only thing is to beg Hashem with mercy, just like we would beg someone that he should have mercy on us, and if Hashem will help you, it will be good and if you don't get it, you won't.

The Master Key

The Rosh Yeshiva Says:

Chazal said in (Sanhedrin 110a), Korach was so wealthy that he had 300 donkeys carrying the keys to his treasures. A Breslever once explained this Chazal to mean that Keys are like Advice. Korach had 300 pieces of advice for every sort of issue, yet Moshe Rabeinu had the Master Key 'Tefilah'. With this key we can we can get out of every stuck situation. When a person constantly speak to Hashem, he doesn't need 300 donkeys, he has the key of Hisbodidus. This is the Master Key to get into anywhere we need, and get out of every problem that we have.

in an order, you will have Chizuk in every type of situation. The letters from Asher Banachal will also pull you towards Hashem. It will bring you to the highest levels. Speak with everyone about words of Emunah. At work as well, even with the Goyim, speak about Emunah, you will be very successful and all the employees will listen to you. Let everyone know about stories of Tefilah, how you needed something and with Tefilah you got it.

Hear Some Noise

The Rosh Yeshiva Says:

I am going to beg you again. I'll beg you again. There is only one way to be guarded from doing Aveiros. There is the only way to allow a person to connect themselves to Hashem. This is through learning Gemorah. It's amazing that we keep on finishing a Perek and another Perek, and we learn whatever we understand and if we don't understand we just say the words. We take the holy Gemorah and we say the words with our voice. We can hear some noise while we learn some of the holy Gemorah.
